HOTEL & LOCATION

Nurtured nature

Capture nature's serene beauty, nurtured with French elegance. Friends and families find a warm and leisurely home at our hilltop Château.

ACCOMMODATION

Magical views and style

All our guest-rooms have light and lovely new interiors though the fabulous views remain the same, taking in the Côte d'Azur from Nice to Cannes. Our suites are full of character, reflecting the history of this Château, while for those preferring more privacy, our six Provençal style villas dotted along the hillside, are offering awe-inspiring views across the Côte d'Azur.

ACCOMMODATION

Luxuries of the château and privacy of your own home

Located on the hills, across the road (car transfer by our butler), each villa has a sense of peaceful seclusion with uninterrupted views across the olive groves, over the Château below all the way to the Côte d'Azur, meanwhile our luxury services: pool, Spa and restaurants.

RESTAURANTS & BARS

Celebrated gastronomy

Dine in a refined or rustic setting, with magnificent views of the French Riviera. Our two restaurants are the inspiration of a celebrated gourmet team lead by Jean-Luc Lefrançois. Take a seat on the panoramic terrace and savour the gastronomy at Le Saint-Martin, while flavours of the Mediterranean are presented at L'Oliveraie in a shady olive grove.
