

LE BRISTOL
PARIS

RESPONSIBLE CHARTER

As part of its sustainability policy, Le Bristol Paris has drawn up a responsible charter to inform and raise awareness among all its employees and partners of its sustainable commitments.

Human Rights

- Respecting everyone and creating working conditions favourable to all
- Foster the development of our employees
- Establishing a long-term relationship of trust with our employees and stakeholders

Responsible Consumption

- Implementing a plan to reduce energy consumption
- Bringing buildings into compliance
- Implementing a responsible purchasing plan
- Implementing a responsible consumption plan
- Reducing pollution and waste
- Proposing respectful mobility

Environmental Awareness

- Raising awareness of our sustainability approach among our stakeholders
- Ensuring that our suppliers and stakeholders are not dependent on our establishment
- Communicating the responsible alternatives available at Le Bristol Paris

Sustainable Communities

- Prioritising partnerships with local suppliers
- Respecting commitments made to our stakeholders
- Developing a social plan in collaboration with targeted associations
- Being open to dialogue
- Offering an excellence service to our guests
